## Today's Foe . . .

For the 29th Homecoming game, the athletic department is happy to welcome the many alumni who are returning to the campus for their annual fall visit, but we also welcome our worthy opponent, Baldwin-Wallace, and the Yellow Jackets' many followers from Berea.

It was only two years ago today that the Jackets last played here and that was another Homecoming attraction. And what a thriller. Behind two touchdowns at the half, the Falcons came back with an aerial show featuring the combine of all-Ohio Max Minnich and Vern Dunham to edge out B-W 33 to 28 and continue on undefeated in 1948.

Coached by Eddie Finnigan, who has been so successful as a track mentor at Berea before taking over the football responsibilities last year, the Jackets have a 2-1 record coming into today's tilt. BG has defeated Bradley while losing to Miami and Central Michigan and has a scoreless tie with Rider.

B-W tripped Ohio Wesleyan 35 to 20 in the opener, then came back to down Akron handily, but last week ran into the Mt. Union buzz saw. The Nelson Jones' boys from Alliance were not to be denied and the Jackets saw the final MU drive ending in a TD and a 20-17 count against them. So both teams will be rebounding for a place in the win column.

Using a modified single wing attack, the Jackets' offense features the running of Ed Haddox, Dick Delaney and Chet Grob. Haddox, a fullback for the past two seasons, has replaced B-W's outstanding Tommy Phillips, who set a national passing record last year. Two sophomores, Delaney from Akron West and Grob of Lakewood, makes the B-W attack most versatile. Delaney also does the Jacket punting and is a good target for Haddox's aeriels.

On the front wall Finnigan has the veteran Norb Hecker at end, one of the state's finest pass receivers. Another fine flankman is Angelo Bangas. Other line standouts include Jim Fritzsche and Glenn Sutherin at tackles, Gale Smith and Jock Hribar at guards and Frank Birsra at center.

## Frosh Squad Begins Season . . .

Last night at the Bowling Green high school field, the Bowling Green freshman squad, under Coach Bruce Bellard '48, opened a four-game season against Heidelberg. The other games are road encounters with Toledo, Kent State and Ohio University.

Bellard's roster includes some of the better scholastic talent of this area. George Veller, a standout at Toledo Woodward, is the leading center candidate. Ted Majewski, a transfer from Miami who played his high school ball at Toledo Libbey, is also high on the offensive list. Bob Dallas, from Norton Center, the home of the three Dunham brothers of BG fame, is another up-and-coming prospect. A former BG captain, Jim Inman '37, has sent along big Maynard White, a fine end.

Don Johns, a rugged linebacker, heads a quartet from Bowling Green. The others are Bob Johnson, a halfback, Hal Lee and Jim Hainen.

These are just a few of the names you will be hearing about on the BG gridiron.

The frosh schedule: Oct. 26, at Toledo; Nov. 3, at Ohio University; Nov. 9, at Kent State.

## Hail To The Marching Band . . .

The marching band always plays a prominent part in the success of Bowling Green's football season. Under the direction of Richard Ecker and Arthur Zuelzke, the 74-piece all-male band should be at their best today and a stellar performance planned for the Homecoming half-time.

The drum major is Danny Kohl, Willoughby. His assistant is John Griffith, Dayton.

The band will accompany the BG gridders to Toledo and Kent State.

## Youngstown The Final Home Game . . .

Youngstown College will be BG's final home foe on Nov. 11. This is the Penguins' first appearance on the BG grid slate. Youngstown coach Dike Beede always turns out a rugged eleven in the steel mill city and the Falcons are expected to have their hands full as several thousand high school students will be here for High School Day.

## Jacket Coach, A Sophomore . . .

Eddie Finnigan knows how a sophomore feels. The likeable, ever smiling Yellow Jacket leader is beginning his second season as B-W's Head Football Coach. After watching Finnigan in his initial campaign Jacket fans are confident that in Ed B-W has one of the country's rising young coaches. His 1949 Jackets bagged their first five starts and wound up with a 6-2 record.

After a meteoric athletic career at Western Reserve University where he won lttrs in football, basketball and track plus All-American mention in basketball, Finnigan jumped into the collegiate coaching game signing to serve as backfield mentor at B-W in 1933. Holding that position for 16 seasons, Finnigan was named successor to Watts last year when the latter retired from the gridiron picture.

The track teams which Finnigan coaches as Head Track Coach have kept company with the nation's best small college squads and have snared the All-Ohio Collegiate Meet five straight times.

## BG GRID TEAMS HONORED . . .

As part of the 1950 Homecoming program, the staff of the FALCONIAN is using several pages of today's souvenir program to honor six former Bowling Green football squads. They are the 1920, 1925, 1930, 1935, 1940 and 1945 teams. Without a doubt we could use many pages relating all the outstanding games that these teams played and we would like to recall for you some of the many stars that have helped make BG football history. Instead in our limited space we are listing the respective records and the names of team members and are including pictures of squads and individuals that are available. We owe our thanks to one of BG's most faithful alumni, Mr. Ivan E. "Doc" Lake, now managing editor of the Bowling Green Sentinel Tribune, for his help in supplying records and squad lists.

To these former Bowling Green men of the gridiron, we dedicate the 1950 Homecoming issue of THE FALCONIAN.

## SKIBBIE SCORES FIRST TD . . .

WARREN E. STELLER  
1924-1934  
Head Coach

GUS SKIBBIE  
in 1920

The honor of scoring the first Bowling Green touchdown goes to Franklin (Gus) Skibbie. Mr. Skibbie, now a teacher at Bowling Green high school, was in his first intercollegiate game as a freshman on the 1920 eleven when this accomplishment came about.

It was Oct. 9 of that year that the Falcons opened the season against Findlay. BG kicked off to Findlay but on the first scrimmage play the Oilers fumbled and BG recovered. Fullback and captain Charles Clucas carried for five yards and Al McMann, now of Elyria, made it first down for BG on the 9. Skibbie, playing quarterback, saw an opening and went off his left end for the score. However, the Falcons finally dropped the contest, 10-6.

Skibbie went on to make a name for himself at BG. Gus, as he is so commonly known in athletic circles, was captain of the 1921 football team. He also was outstanding in basketball and baseball. After completing his eligibility, he helped Warren Steller with the 1925 BG squad. Later he served as an assistant coach at Bowling Green high school. For the past decade Gus has been one of northwestern Ohio's prominent football and basketball officials. His son, Larry, is a plebe at the U. S. Military Academy this year and is a member of the plebe football squad after playing at Bowling Green high.

## B-W Standouts . . .

**NORB HECKER**

Norb is one of the finest receivers in Yellow Jacket history. His 27 catches, that were good for 511 yards and four TD's last year, set a B-W record. He's a classy jack of all trades in athletics, having lifted three letters in football and track and one each in basketball and baseball at B-W.

**CHET GROB**

Chet was one of the nation's outstanding high school players for the 1948 season. He was named All-Ohio fullback, plus second team All-American fullback by the Sporting News. He carted off 11 letters at Lakewood and was All-Lake Erie League choice in football, basketball and baseball two years.

**ED HADDOX**

One of the finest all-around players in the state, Ed can pass, run, block, punt and play defense with equal facility. He holds the school record for most yards rushing in one game, 165 against Morris Harvey in 1948. Ed has three B-W letters in football and a like number in baseball—he's a catcher.

# RESEARCH

Raw materials are dead things. It is the men of science who bring raw materials to life.

Scientists, with experience, vision, inspiration, and ability, not only assure purity of materials in today's merchandise, but blaze new trails in production. They find better ways to use today's materials in tomorrow's products; they find better materials; they salvage by-products and waste, previously discarded, for new profitable uses.

Research advances through its own accomplishments, but the effectiveness of research can be advanced ten years, twenty years, or more, in one forward step, by complete modernization of the tools with which research works.

For over 25 years, LABORATORY FURNITURE COMPANY has aided in giving the laboratory staffs of America's great institutions, including Bowling Green State University, the best furniture and equipment that can be made.
